

Hello to all our Waverley Families,

Welcome to our weekly communication with you all.

We are missing all our families greatly and cannot wait until we can all see each other again when it is safe to do so. Thanks to Class Dojo and all the parents who have connected, we have been able to see many photographs of what you have been getting up to whilst keeping safe at home. It has been wonderful to see many of you completing learning tasks set up by your class teachers and also the creative things you have been doing with your family. From children making posters to thank critical workers to children learning how to tie their shoelaces; make a cup of tea and even work the washing machine! Please keep it up!

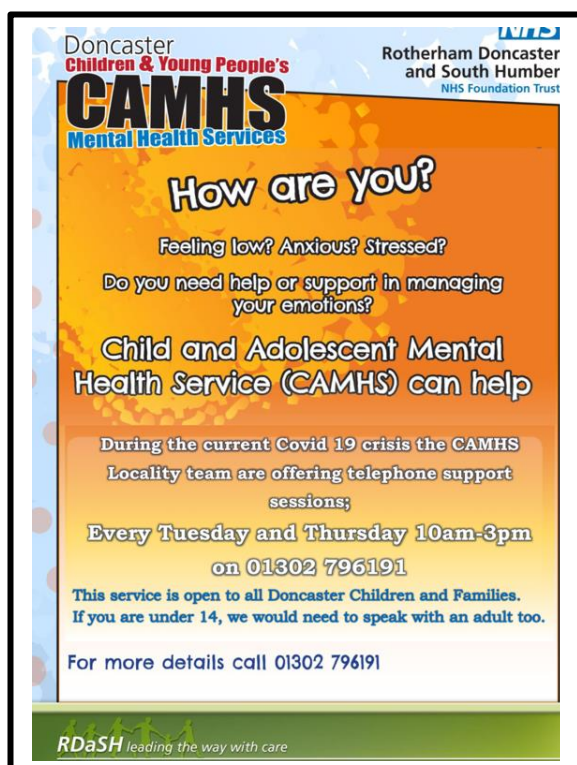

Every Monday, your teacher will post a weekly menu of learning activities covering a range of subjects. Please upload photographs or work as evidence of completion in order to be awarded Dojos and to get feedback from your teachers. Each week, we will choose some of our favourite Portfolio posts to share with you on our Online 'Hall of Fame.' If any-one has any problems with Class Dojo, please do not hesitate to message us either on Class Dojo or via the Parent App.

## Home learning Packs

These are currently being printed and we hope to start distributing these this week. There are quite a few to deliver – which we will be doing over a few days to minimise risk to staff out in the community. Once again, we want to reassure you that you are all doing a fantastic job and we want to thank you for taking the time to engage with your child's learning and keeping connected with school. Keep positive and keep smiling. This will hopefully be all over soon and we can be with each other again.

Keep safe,

Mr Crossley, Mrs Hussey and Mrs Wilby
