

Hello to all our Waverley Families,  
Welcome to our weekly communication with you all.

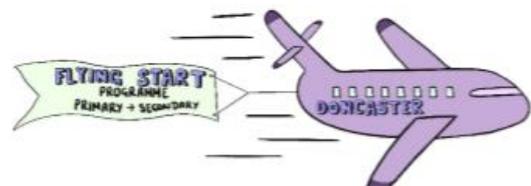

Well we can hardly believe it's been 6 weeks since the nation went into lockdown and our school closed. You have protected, nourished, educated, supported and entertained your children during this time and you are all amazing! You have faced six weeks of not being able to take your children anywhere and the emotional turmoil of not being able to see people that you hold dear. We thank you for your courage. Your children will remember this period as a time of knowing they were safe and loved and the team at Waverley Academy are deeply grateful that you are there for your children when we know we should be but can't. You are doing an awesome job!

We are missing everyone terribly and cannot wait for all this to be over. There has been a lot of media speculation about when schools will re-open. Please be assured that we will continue to follow Government guidance and as soon as we know about when and how we will open, you will be the first to know. In the meantime, it is as important as ever for you all to stay at home, keep safe and prevent the virus from spreading.

Next week, our teachers will be working hard to make contact with all their class via telephone. You can expect to receive a telephone call and it would be great if your child is given the opportunity to chat with their class teacher. The purpose of the call is to simply connect with our families; to say hello and to provide any support, where we can, with home learning.

Keep safe, keep smiling and we hope to see you soon  
Mr Crossley, Mrs Hussey and Mrs Wilby

## Year 6 to 7 Transition

### A message from Doncaster Council

Doncaster Transition Team and partners are working hard to adapt our transition strategy and resources for the current situation. All year 6 students; will be offered access to resources including an evidence based workbook and we are developing virtual classrooms to support transition for schools, families and students. Prior to Covid-19 we were due to release the information sharing tool to promote a consistent approach across the Borough and still feel this principle is key to consistency and sustainable, high quality transition. This information tool is designed to be used; between schools, and there is no requirement for these forms to be shared with the Local Authority. We acknowledge that schools are planning their own transition information sharing, resources and interventions and are keen to work alongside schools. Our strategy, resources and support offer will be communicated to you, by Monday 11th May. We thank you for your patience.

Why not join in our  
**VE Day**  
**75<sup>th</sup> Anniversary**  
Celebration

Waverley Academy will be marking this special day by:

- Wearing something **RED**, **WHITE** or **BLUE**
- Having a picnic / afternoon tea at home
  - Taking the day off from learning
- Making some red/white and blue decorations
- Making a Commemorative painted pebble  
(See Facebook / Class dojo for ideas)

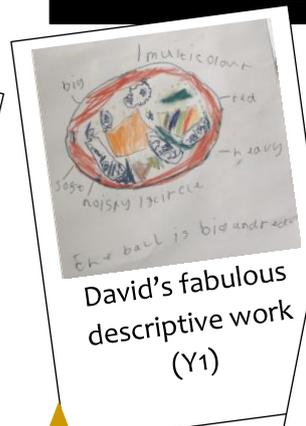

# Online

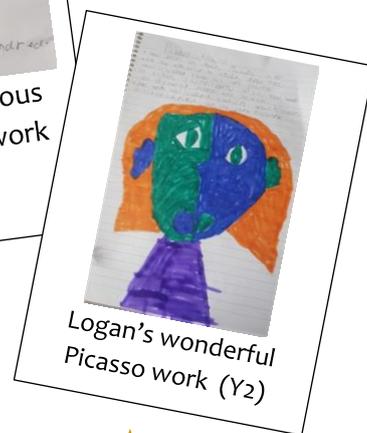

# HALL of FAME

Each week, to celebrate the work you have all been doing at home, we would like to share some fantastic example of home learning which the children have shared on their Class Dojo Portfolios. Well done to the children who have made it onto the Online Hall of Fame this week. You are this week's superstars ★★ ★

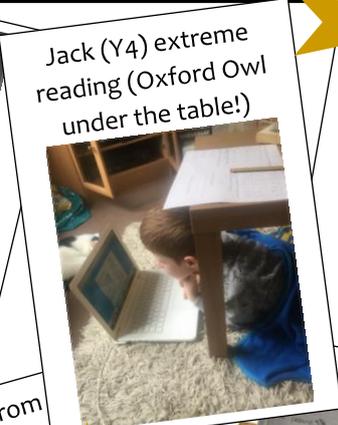

## Early Years: Acorns and Oak

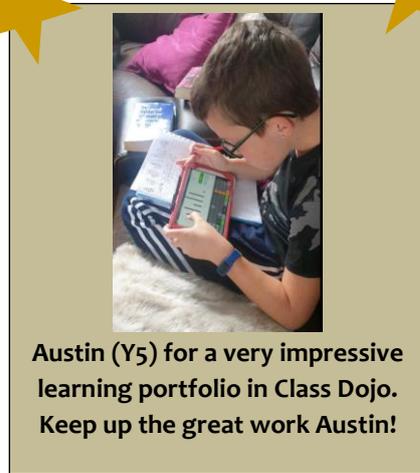

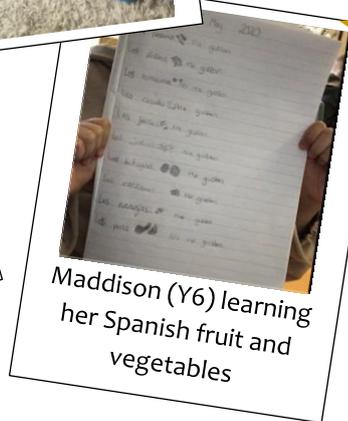

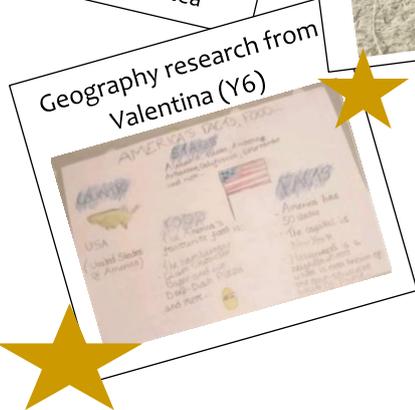

## Key Stage 1: Ash (Y1) and Willow (Y2)

## Key Stage 2: Chestnut (Y3), Rowan (Y3/4), Sycamore (Y5), Hazel and Elder (Y6)

## A special mention for amazing work goes to....

This week we have seen some brilliant posts on Class Dojo Portfolios. Children keeping up with home learning, making ice-cream, singing songs, writing stories, bird-watching, baking, going on walks. Keep up this amazing work. You are all awesome!
