

Waverley Academy: EY Home Learning Menu

Money, Money, Money

Look at the coins closely, can you compare them looking at the difference between size and colour? Do you recognise anything similar and different?

Which has more money?

Which is the most expensive?

12p

15p

Which is the cheapest?

20p

11p

How much altogether?

Can you add the two items together? Use the number line to help you.

5p

2p

Choose the correct coin for the price of the toy bear.

10p

Communication and Language

Ask an adult to find a range of objects you can buy from the Supermarket.

Ask to buy particular items: 'Please could I buy...'
'I would like...'

Literacy

Write a shopping list of all the things you need from the supermarket.

Physical

Try drawing and painting a shop or cooking/baking items you might sell in your shop.

Can you create some price labels for items?

Understanding of the World

Who is this?
What is their job?
Where do they work?
Why do they wear an apron?

Talk to an adult about who you think the picture is and what kind of things they might do for their job.

Phonics

If possible, watch the daily Phonics videos on <https://www.ruthmiskin.com/en/find-out-more/parents/>
Make sure you know all the RWI set 1 sounds and make words/read words using your cards.

Construction

Use plastic bottles, toilet roll tubes, yoghurt pots or any other boxes and containers to make a shop.

Don't Forget:

Try to read every day using books from <https://www.oxfordowl.co.uk/>
