

Waverley Academy: KS2 Home Learning Menu

	<p>Art</p> <p>Draw a pencil sketch of a flower. Explore how you can use pencil to show different shades on your petals and leaves.</p>	<p>Music</p> <p>Write the lyrics to a song about how wonderful nature is and how we should look after it. Can you make sure your chorus is catchy and memorable? Teach your song to a member of your family</p>	<p>Geography</p> <p>Can you draw a map of a place full of nature. This could be your garden or the park. Can you create symbols to use on your map to show the location of nature (Trees, bushes, flowers etc). Make sure you create a key so that people reading your map know what the symbols stand for.</p>
<p>Art</p> <p>Collect natural things from your garden or when you go on a walk Using twigs, leaves, grass, pebbles and other natural materials to make a picture of something in nature (eg, a flower or insect)</p>	<p>Science</p> <p>Go on a bug hunt in your garden or in the local park (making sure you socially distance). How many different insects can you spot? Where can they be found? Think of how you will record your results and observations.</p>	<p>Science</p> <p>Use the internet to research information about your chosen insect. Create a colourful fact-file to share your findings with others</p>	<p>English</p> <p>Can you create an illustration for a story for young children that involves nature. It could be a story set in the countryside. It could involve talking insects!!!</p>
<p>Design</p> <p>Can you design your dream garden. If you were tasked with creating a garden that would encourage as much nature as possible... what would you include? Draw and label your ideas.</p>	<p>Why is nature important?</p> <p>Can you write a short piece about Why you think nature is important.</p>	<p>Maths</p> <p>Maths can even be found in nature. Can you find any examples? (For e.g. Can you find any examples of symmetry in your garden or in the park?) Have a look on the internet too!</p>	 <p>Can you make your name using natural materials? Don't forget to take a photo.</p>
<p>P.E</p> <p>Using natural materials (twigs, pebbles etc. Can you create yourself an outdoor obstacle course. Time yourself how long it takes to complete it and then try to beat that time.</p>	<p>Maths</p> <p>Plan a picnic for a lovely summer's day in the garden or in the park. Think about the cost of items and work out how much it would cost to make your picnic for you and your family.</p>	<p>Science</p> <p>How many different leaves from trees can you collect? Draw them carefully. Use the internet to find out the names of the trees.</p>	<p>Don't Forget</p> <ul style="list-style-type: none"> • Practise your times tables – Timetable Rockstars www.trockstars.com • Read regularly.
