

Hello to all our Waverley Families,
Welcome to our weekly communication with you all.
We hope everyone is safe and well.

Re-opening of School:

With regards to school re-opening, we have no further update yet. We are hoping to be open on the 15th June for those of you who have requested a place in Nursery, Reception, Year 1 and Y6 and we will keep you updated as soon as possible to confirm. Places for when we do open have been allocated to parents who expressed they wished a place on the survey. Our plans for re-opening are based on these numbers. Once we have reopened, then we will look at allocating anyone who wants an additional place. We will operate a waiting list system and aim to get your child back to school as soon as it is safe to do so.

Other News:

We are delighted to announce that Astrea have appointed a new Principal, Louise Stanton, who will take up post in September. We are very excited to welcome her to lead the team here at Waverley and we are looking forward to working together with Mrs Stanton to continue our school improvement journey. Letters have been sent out this week via the School App with further information.

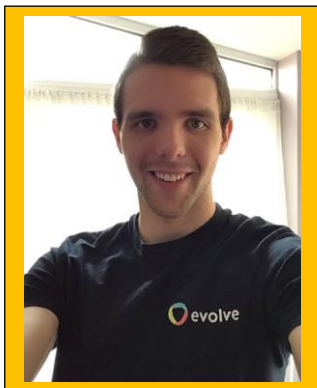

Teachers continue to be busy supporting pupils in school and at home. They have been contacting pupils directly as well as responding to messages through Class Dojo. They are also currently underway with reports. End of year reports will be slightly different this year due to school closure. Teachers will make general comments relating to what has been studied this year and general characteristics such as attitudes to learning, involvement in class and achievements.

As always, thank you for your continued support and for doing all that you are to support your children at home. Class Dojo posts this week have been wonderful yet again. Check out the Hall of fame to see this week's online stars.

Keep safe everyone,

Mr Crossley, Mrs Hussey and Miss Wilby

Health Mentor – Daniel Lacey

Our fabulous Health Mentor is now back on site and able to support our children. He is going to be helping us keep connected with our families by making regular phone calls home.

Dan would really welcome the opportunity to chat with children. A familiar voice and a listening ear may benefit the children who can simply natter away and share their experiences of lockdown. They can also discuss any worries or fears they may have around Corona virus and being away from school. In the coming weeks, Daniel will be available to support our Year 6 students with their transition to high school. Again, offering a listening ear to discuss any queries or worries they may have.

If you feel your child would benefit from a chat with Dan... please do not hesitate to contact us

A Poem for School

I miss my teacher,
I miss my friends.
I even miss counting in tens.

I miss assembly,
I miss the playground.
I even miss the bell making a ding sound.

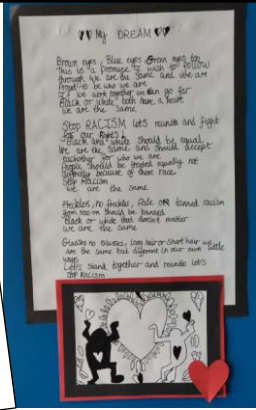

I miss wearing P.E kit,
I miss my workbooks
Staying away ... really sucks.

Thank you teacher,
Thank you everyone.
I'll see you soon, it won't be long!

Our Key Worker children who have been in school have produced some fabulous work inspired by current topical issues affecting the world today. ❤️
