

Hello, my name is Miss Hague. I am so excited to be introducing myself as your Year 4 teacher from September and I can't wait to meet you all. We are going to have a great year together full of new discoveries and adventures.

I trained for a number of years to be a primary school teacher, working in Key Stage Two in a wide variety of schools, mostly teaching in Year 3 and 4 classes. When qualified, I taught for a short period of time in F2 before completing my first teaching year in Year 2. This will be my first year teaching at Waverley Primary and I am looking forward to making the move back into Key Stage Two.

I enjoy teaching lots of subjects, but my favourite is Maths. Maths can be difficult and there are many tricky concepts to get your head around, but I love using lots of practical resources and real life examples to help to explain them and it is very exciting when you manage to solve challenging problems. As I can play a few different instruments, I really enjoy teaching music too. There are many exciting opportunities in a music lesson; listening and appraising different pieces of music, playing games to find the rhythm, composing your own music, singing songs and learning to play a musical instrument yourself. My favourite part of last year was teaching all of my Year 2 class to play the ocarina!

I love animals and have a pet dog, a Cavalier King Charles Spaniel called Poppy, so I love spending my weekends discovering new walks in the countryside with her. In my spare time I also love cooking and baking and am always looking for new recipes to try. I love being outdoors, whether on a dog walk, a bike ride or just relaxing with a book in the garden.

There is lots to look forward to next year when you return to school; we are going to have a busy year with lots of learning! We are going to have to work hard but there will definitely be plenty of fun along the way with a creative curriculum packed with lots of different opportunities and experiences.

I hope you have a lovely, relaxing summer holiday with your families and will be ready and eager to take on all the new challenges of Year 4 in September. I look forward to meeting you all soon.

Miss Hague
