

Important Reminders

PE

P.E Sessions are on Friday.

Please ensure that your child brings their P.E kit in their bags on a Monday morning. These can be kept in school during the week and brought home on Fridays. A plain white t-shirt, black shorts and trainers are required to participate in all PE/Sport activities. As the days get colder, black jogging bottoms/leggings and a jumper/jacket should be included, where possible.

Label Clothing:

Please label clothing as children start their PE lessons: although children are asked to place their clothing on their desk/chair, quite often they will move this and so other child can easily pick up clothing which is not theirs. School is also quite warm so children are frequently taking off cardigans and jumpers – if there isn't a name in it, then it can be difficult to identify the owner.

Reading Diaries

Please listen to your child read daily if possible and sign their reading diaries.

Reading books and diaries need to be brought to school every Friday.

How you can support your child's learning at home:

- Spend time reading/sharing a book with your child every day.
- Read your child's school reading book with them daily and comment in their reading diary.
- Use the local library to encourage reading and support topic work.
- Practise times tables e.g. counting in 2s, 5s and 10s
- Use everyday opportunities to reinforce problem solving in their head.
- Please practice name writing if your child is unable to spell their name. If children can spell their first name, practice their surname.
- Encourage your child to talk about their learning
