

Message from Mrs Stanton

Welcome back! We hope you and your loved ones had a lovely half term. This is going to be a very busy and exciting half term, and we are looking forward to it.

This weeks sees our first parents evening of the year, teachers are looking forward to seeing you and letting you know how your child has settled into the new school year.

Parent and pupil voice is so important to us at Waverley, we want our children to love coming to school and are always keen to hear how we can further improve and be brilliant. Please do complete a parent questionnaire at parents evening to support us with this.

Last half term children told us that they love coming to school and that they loved 'their learning experiences', and 'seeing their friends' . 'Everything is awesome at school'.
